2014 RULES SHEET

- I. The ball will be played down unless the Tournament Committee deems otherwise.
- II. The rule of 70 will be in effect in which no Gross score reduced by the Handicap may result in a Net score of less than 70.
- III. Competitors will play two sets of tees as follows:
 - A. Competitors 75 YOA and older will play from the most forward tees.
 - B. Competitors 50 to 74 YOA will play the White tees.
- IV. In the States Match the Competitors will receive strokes off the lowest Handicap in the foursome. A dot will appear on your scorecard where strokes are awarded. The Handicaps were determined by the VSGA Secretary investigating all Competitors USGA GHIN Indexes effective August 1, 2014 and then with the help of the Greenbrier Golf Professional Staff applying them to the respective courses.
- V. The States Match is low ball of your Team against the low ball of your Opponents (strokes included). One Point is awarded the Team winning the front, one Point is awarded for the back, and one Point for the total. For Ties each team is awarded a ½ Point. Please pick-up after making a Net double bogey to improve Pace of Play.
- VI. If the states teams are uneven then the state with fewer teams will have the VSGA Secretary assign team(s) to play one head to head match and one to match cards at the end of play. This will ensure all teams try their hardest.
- VII. All yardage devices are legal for our event.
- VIII. The Monday Closest-To-The-Pin Contest will be held on two holes for each course. One hole for Competitors 50-74 YOA and one for Competitors 75 YOA and over. Prizes will be awarded at the Banquet.
- IX. Please turn your scores into the Golf Professional at the scoreboard after completion of play.
